37	I would highly encourage the City of Lead to fund the total demolition and discontinuation of the current "recreation building" on Railroad Avenue. I would highly recommend the funding of a cooperative agreement with the Deadwood Recreation Center. I would highly recommend funding for local use of the "Armory" building on Main Street and the old "Smart Center" in the "Opera House" as recreation centers. The savings garnered from the demolition and discontinued use of the current recreation center alone would easily fund all of the suggested activities listed above.	Mar 8, 2013 9:27 AM

85	new roller skates at the armory are really needed.	Mar 3, 2013 4:32 PM
86	disc golf course	Mar 3, 2013 3:17 PM
87	A lead skatepark. It wouldn't need to be over the top by any means, but the skatepark in Deadwood is unsafe to get to,(children walk and ride down the highway) run down (rust and metal edges sticking up losing a serious safety issue) and poorly layed out. With the increase in action sport related interest in the last few years it would truly be an investment in the city's future and its youth.	Mar 3, 2013 3:09 PM

city, I usually run by the park on McClelland - the water fountain is never on there and it would be great if it was. Also, maybe consider routing a 'running route' or path around the city limits - get people involved on taking certain trails/roads to make their exercise more interesting. :)

92	A groomed ice skating rink in the Manuel Brothers park during the winter.	Mar 3, 2013 9:54 AM
93	Some type of recreation for kids. There is nothing for them to do right now, and it would keep them out of trouble.	Mar 3, 2013 9:08 AM
94	Making the parks and athletic areas better, make it do things actually work cause I know that a lot of the stuff in lead that the town does for the youth doesn't work at all. I believe that if you makes these things better it would make it so the youth would want to go out side and be active more	Mar 3, 2013 12:42 AM
95	It is going to be difficult to pick just one or two projects to focus on for a whole community. Everyone is going to have a different interest. I think that the current park situation is fine. The Manuel Brother's park is incredible. The thing that Lead is currently lacking though, is an indoor place to have athletic sports. There is an Armory with a basketball court, but it's getting old. The floor needs to be redone, as well as just the building in general. The Hanley Center is a great place, but it's not going to get much done without more attractions. A pool may not be the best fit for it because of the Deadwood Rec. Center, this would cause for some kind of competition, and I believe that between the two cities, there doesn't need to be competition, there needs to be cooperation. After being long winded, I think that the two projects that need to be addressed is upgrading the Armory, and discovering new things that the Hanley Center can be used for.	Mar 3, 2013 12:21 AM
96	resurface the tennis courts	Mar 2, 2013 11:58 PM
97	Update the parks in the area, It would be nice to see a park like there used to be.	Mar 2, 2013 10:57 PM
98	A good rifle/pistol range. A better city park with features like the old city park used to have.	Mar 2, 2013 10:32 PM

115	Put a small playground next to the new fire hall so my kids do not have to cross the highway	Mar 2, 2013 4:15 PM
116	Expand the current parks and make them better, more user friendly.	Mar 2, 2013 4:13 PM
117	That'll take some thought...	Mar 2, 2013 4:08 PM
118	Partner with Mickelson Trail to add benches, picnic tables and interpretive. Market the Mickelson Trail.	Mar 2, 2013 3:52 PM
119	1. An aquatics area.	Mar 2, 2013 3:51 PM
120	A kid friendly pool.	Mar 2, 2013 3:33 PM
121	Safe place for kids to sled. Kids sled by basketball courts and is dangerous.	Mar 2, 2013 3:17 PM

126	MAINTAIN ALL PARK BEFORE DUMPING MONEY INTO FAILED INSTITUTION LIKE THE HANDLEY CENTER. FUNDING THE ARMORY FOR THE KIDS SKATE NIGHT BASKETBALL SCHOOL ROOMS IS AN ABSOLUTE ASSET TO OUR YOUTH HOWEVER THE HANDLEY CENTER IS EXTREME WASTE OF TAX PAYER DOLLARS THAT SHOULD BE USED IN OTHER AREA OF SUPPORT FOR THE CITY DEPARTMENTS AND CITIZENS NEEDS	Mar 2, 2013 1:05 PM
127	1. Winter outdoor rec. such as an ice rink, etc. We should have something here	Mar 2, 2013 12:01 PM

Page 3, Q2. If you could pick one or two projects that would fit within the scope of parks and recreation that the City of Lead could fund, what would it be?

	closer to town to offer without having to go to Terry Peak. 2. The City should be helping to pay/take care of the flowers in the summer. Volunteers seem to need more help.	
128	Paved and maintained walk ways. Sidewalks are crumbling and not shoveled in winter.	Mar 2, 2013 10:45 AM

130	Tear down the Handley Center. Sell the property. Use the proceeds of the sale to upgrade/improve the Armory as a stand alone entity.	Mar 2, 2013 9:20 AM
131	i have no idea what projects are being thought of nor how much funding is available. This question does not lead to a realistic answer. How about an ice climbing park in the open cut?	Mar 2, 2013 8:35 AM

133	Upgrade the Handley recreation center	Mar 2, 2013 6:59 AM
134	An ice surface for skating or broom ball. It would need to be sheltered since every place in town seems to be too sunny to maintain an outdoor rink.	Mar 2, 2013 6:09 AM
135	Keep the parks that are used in good shape. Get rid of the rest	Mar 1, 2013 7:45 PM
136	More scenic areas, water features trees , flowers, something scenic to attract people to spend time in Lead	Mar 1, 2013 7:30 PM
137	New indoor recreation	Mar 1, 2013 5:59 PM
138	1.Close neighborhood parks and playgrounds. Concentrate on 1 community recreation area that has receptionists - like Federal campgrounds. They get free camping for that service. 2. Do not re-open the swimming pool. Let Deadwood provide that money draining recreation activity.	Mar 1, 2013 5:55 PM
139	Main street facilities	Mar 1, 2013 4:38 PM
140	Having more trees in our largest city park! It is very uninviting without the trees and looks like a vacant lot with a fence around it. There is no shade by the picnic tables, which makes it uninviting for anyone wanting to stop for a picnic or rest. There should also be a pergola or some type of shade around the playground equipment for the small children play area by the parking lot. That equipment gets full sun all day long and is too hot for the children to play. We used to have the designation of "Tree City". I don't know that Lead still has that designation. Page 12, Q9. Why do you support eliminating City funding of the Handley Center/Armory?

1	was a member of Handley, had to drop out they were never open when sign said they would be	Mar 23, 2013 7:32 PM
2	This is a flawed survey because it does not allow separation between the Handley Center and the Armory	Mar 15, 2013 7:49 AM
3	I do not support eliminating funds	Mar 11, 2013 5:52 AM
4	The Handley center is run down. No longer has a pool and I pay 50 + a year and STILL have to pay to go there? The armory at provides needed services.	Mar 7, 2013 10:34 PM
5	I would support the center coming under the city parks's dept.	Mar 6, 2013 4:42 PM
6	The Center should be more self-supporting with less City support	Mar 6, 2013 10:13 AM
7	better facility available and complete in Deadwood -- should seek partnership	Mar 5, 2013 11:35 AM
8	Lead's facilities cannot compete with the rec center in Deadwood	Mar 3, 2013 5:45 PM
9	I support limited funding of the Armory-The Handley Center should be turned over to private owners.	Mar 2, 2013 11:13 PM
10	I do not support elimination completely, however too much is being funded for a facility that is outdated and does not see much use from the community	Mar 2, 2013 11:00 PM
11	The Handley Center is outdated and going downhill. I believe the Armory is still a good thing and serves a purpose in many aspects for the community. The Armory being funded by the City makes sense but not the Handley center. If the citizen's are going to pay taxes to keep these buildings going then we shouldn't have to pay fees to use them.	Mar 2, 2013 10:40 PM
12	I do not agree with eliminating	Mar 2, 2013 8:07 PM
13	It's in much needed repairs. My son doesn't want to go because it's not kid friendly.	Mar 2, 2013 3:41 PM

Page 13, Q10. If funding was eliminated, what would you do with the "extra" money?

1	where funding would serve the community overall--numerous ways to improve	Mar 31, 2013 9:56 AM
2	if funds were eliminated which I do not agree I would like the money to be used for continued rec development	Mar 11, 2013 5:52 AM

16	Space for Cross fit activities	Mar 4, 2013 2:11 PM
17	Reopen the pool but make it so it is a olimpic size for for more sports and traning	Mar 4, 2013 1:14 PM
18	Skate Park	Mar 4, 2013 9:29 AM
19	skate board area	Mar 4, 2013 7:54 AM
20	An indoor skatepark with an admission fee of a few dollars.	Mar 3, 2013 3:11 PM
21	24/7 gym facility with good treadmills and cross-training machines.	Mar 3, 2013 3:11 PM
22	I ould rather see the pool reopen, I would become a member again if this were to happen.	Mar 3, 2013 1:15 PM
23	Perhaps a combination of a few things. A water playground would be nice. Slides are fun, especially since the track is already high above the pool area, then large slides could be constructed. Water slides will cost more money, but normal slides introduce similar fun values for a much smaller cost.	Mar 3, 2013 12:27 AM
24	Several pools. Kids. Adult deep enough for water exercises for older people. 2 or 3 lane strip for lap swimmers. And a hot tub.	Mar 2, 2013 4:20 PM

34	I would like to see the swimming pool re-opened. If so, I would like to see the walking track enclosed.	Mar 5, 2013 10:49 AM
35	With the Deadwood Rec center you would have to start over or total rehab the Handley .	Mar 4, 2013 7:38 PM
36	Keep the hot tub please! Rec center does not have one. Love the indoor playground idea, hard to find things fun in the winter time!	Mar 4, 2013 5:39 PM
37	Improvements to the weight room.	Mar 4, 2013 5:14 PM
38	More classes like yoga, jazzercise, zumba, step aerobics, etc. - for all age groups	Mar 4, 2013 5:10 PM

52	up grade it	Mar 4, 2013 8:22 AM
53	The cardio equipment is in dire need of upgrades. There are only a few treadmills that work, and only one of those allows for incline training.	Mar 4, 2013 8:17 AM
54	upgrade the center	Mar 4, 2013 7:57 AM
55	Get it up to date so that it is fully functional either with pool or ice rink. If ice rink bring youth hockey and skating opportunities.	Mar 3, 2013 10:28 PM
56	I think the Armory should remain open and supported by Lead.	Mar 3, 2013 5:46 PM
57	Pool reopened	Mar 3, 2013 4:46 PM
58	I would like to see the armory get more attention. New roller skates are desperately needed and I haven't see any improvements to the facility is quite some time. Using the money that is put into the Handley Center seems a little absurd considering there is a state of the art facility a mile away. Closing the facility that has the pool would be my choice but keep the Armory going. The amount of money the city invests maybe could be invested into trying to save the trees from the pine beetles. This would also create a few jobs. Revitalizing our city is useless without the scenery people come here to see.	Mar 3, 2013 4:43 PM
59	just a facelift. make the whole place look nice.	Mar 3, 2013 3:31 PM
60	Strict emphasis on cleanly and pleasant environment. Remodeling is needed - lobby, bathrooms, offices. The more recent remodels (dance area, offices ,ect) took away from the experience. If there was a dedicated (and air conditioned), clean facility with emphasis on quality treadmills and cross training machines, it would vastly increase memberships. Especially if it were a 24/7 facility.	Mar 3, 2013 3:14 PM
61	Renovation of the pool area.	Mar 3, 2013 3:12 PM
62	Don't ever get rid of the swimming pool!	Mar 3, 2013 2:47 PM
63	I feel it could all be done in Handley Center. Could redo some areas and put in bball courts...have a baseball pitching machine along with 1 racquet ball court and swimming pool. Sell the Armory and put the money into one building. As far as skating, that could be done at Deadwood Armory.	Mar 3, 2013 2:00 PM
64	FIX the pool!!	Mar 3, 2013 1:15 PM
65	Facilities are not maintained as well as they should be, leading to an unattractive environment.	Mar 3, 2013 12:46 AM
66	I would like to see the weight room fixed. Newer equipment would be nice since a lot of the stuff down there is woobly and unsafe	Mar 3, 2013 12:45 AM

Page 15, Q12. What one program/improvement to the Handley Center/Armory would you like to see?

67	Organized athletic events.	Mar 3, 2013 12:28 AM
68	I would like to see the Handley center returned to it's original state. Too many years of neglect have worn the building down. The Armory is in my opinion used much more than the Handley center. It would be nice to see more children's activities provided by the establishment.	Mar 2, 2013 11:03 PM
69	I don't believe the Handley Center has provided a service that enough of the citizen's utilize to deserve tax dollars. The facilities are in disrepair and in need of major upgrading. If this is going to happen using tax dollars then City of Lead resident's should not be required to pay fees. The armory provides more as an open indoor space that can be utilized for a wide variety of uses and should be maintained for use by the resident's.	Mar 2, 2013 10:49 PM
70	Maintenance	Mar 2, 2013 10:24 PM
71	Pool updated	Mar 2, 2013 8:09 PM
72	Facility improvement	Mar 2, 2013 5:52 PM
73	Climbing walls	Mar 2, 2013 5:34 PM
74	Track enclosure so people who have asthma wouldn't inhale so much chlorine	Mar 2, 2013 5:32 PM
75	Yoga, aerobics classes	Mar 2, 2013 5:25 PM
76	The pool needs to be open more hours	Mar 2, 2013 4:51 PM
77	Allow classes. U took a class there twice a week and the current management made it impossible für us to continue.	Mar 2, 2013 4:46 PM
78	It's not ALL about kids. There are many seniors who would like the opportunity to use the equipment, track, whatever, at a time when they can move as slowly as necessary without feeling pushed. An exercise class that's Sanity... NOT Insanity...	Mar 2, 2013 4:25 PM
79	reopen the pool	Mar 2, 2013 4:23 PM
80	More options for fitness classes.	Mar 2, 2013 4:05 PM
81	Repurpose of pool area.	Mar 2, 2013 3:20 PM
82	Renovation and modernization of the entire building and business.	Mar 2, 2013 3:20 PM
83	Indoor recreation for children	Mar 2, 2013 2:46 PM
84	Pool	Mar 2, 2013 1:43 PM
85	Nicer cardio/weight room	Mar 2, 2013 1:13 PM
86	Up date it	Mar 2, 2013 7:05 AM
87	I think floor hockey, youth and possibly adult would be one possible use of the Armory.	Mar 2, 2013 6:17 AM

Page 15, Q12. What one program/improvement to the Handley Center/Armory would you like to see?

88	Upgraded center	Mar 1, 2013 6:02 PM
89	clean it up	Mar 1, 2013 4:41 PM
90	I would like to see the Handley Center work with the Deadwood Rec Center to compliment each other more. I would like to see more programming for kids.	Mar 1, 2013 4:34 PM
91	there are many improvements that need to be made to the building all around, but number one would be opening the pool	Mar 1, 2013 4:15 PM

Page 16, Q13. Would you like to make any other comments about the Handley Center/Armory?

1	Better management	Mar 31, 2013 9:56 AM
2	Can we keep the armory open and close the Handley Center?	Mar 31, 2013 9:52 AM
3	a city needs indoor recreation, spend the money	Mar 29, 2013 6:43 AM
4	no	Mar 27, 2013 7:19 AM
5	I think getting rid of either building would be a major down fall for the youth in the community. Increasing drug use and flagrant behavior would be a foreseeable outcome.	Mar 26, 2013 4:41 PM
6	I would like to see the Handley Center as busy as the Deadwood Rec, but having 2 rec centers in the Lead -Deadwood Communities, just doesn't work. The community just does not have the economic feasabilty or people to support both. I've lived here long enough to see the tide turn - the Handley center very busy, when Deadwood Rec had nothing. Now Deadwood Rec has everything and Handley center nothing. Skating at the Armory seems to be a big thing, but is a bit of a free for all -unsupervised chaos, which bothers me as a parent. (I do understanding - they are working with a low or no budget and volunteers).	Mar 25, 2013 1:37 PM
7	I was a member and tried very hard not to move to Deadwood rec. center, but the Handley center was was closed quite often when i would go up. I e-mailed and asked why and was told they couldnt run it and keep it manned. If that is the case i dont feel the tax payer should be funding the Handley center.The Armory needs to stay open. Also why did we put a weight room in the new fire hall when we are trying to keep the rec. center open...kind of counter productive???	Mar 23, 2013 7:39 PM
8	Towns with good recreation attract young families and Lead needs to grow with new young families. The buildings should be saved because cost to rebuild down the road will be to expensive. If we lose them we lose them forever.	Mar 23, 2013 6:53 PM
9	having an indoor swimming pool (affordable membership) in Lead would be very nice	Mar 22, 2013 10:45 AM
10	infrastructure, ie: heat, pool system, etc. is obsolete and needs to be replaced.	Mar 22, 2013 6:37 AM
11	Better Main entrance at the Handley building, a "teen area", an aerobic area separate from the weights, a cycling area, child care room and supervision so that parents can enjoy the facility and the children are well cared for	Mar 21, 2013 8:49 PM
12	The hot tub was so popular with Skiers and Snowmobilers as well as the community. Find a way!	Mar 21, 2013 7:54 AM
13	yes, keep better care of the armory and definitely have a baseball batting cage	Mar 20, 2013 8:12 PM
14	Possibly combine programs in to one building, thus lowering the overall operation costs.	Mar 19, 2013 3:30 PM
15	I feel it should be supported by the city.	Mar 19, 2013 3:08 PM
16	Please keep both buildings. The youth need recreation and winters are long.	Mar 15, 2013 6:54 PM
17	spend some money and uo grade it	Mar 15, 2013 6:49 PM

Page 16, Q13. Would you like to make any other comments about the Handley Center/Armory?

18	They both have lots of potential.	Mar 15, 2013 6:44 PM
19	The Handley Center is outdated and cannot compete with the Deadwood Rec, stop continuing to throw good money after bad.	Mar 15, 2013 7:49 AM
20	I believe the city should take over the rec center as a city recreation department.	Mar 15, 2013 5:25 AM
21	I THINK THAT IT IS VERY IMPORTANT TO HAVE A BUSINESS PLAN FOR THE REC. CENTER. NOT SURE IF THERE IS ONE BUT IT WOULD BE BENEFICIAL TO THEN AM THE COMMUNITY. I WOULD PERSONALLY LIKE TO SEE IT	Mar 11, 2013 6:43 AM
22	I do not use the facility so do not feel like it is my place to have an opinion in a survey that affects people who do use it	Mar 8, 2013 10:57 AM
23	The Handley Center should be shut down, the building has deteriorated to the point of being too costly to upgrade to nice usable space. The Armory needs work but is utilized enough to invest a substantial amount of money into.	Mar 7, 2013 4:09 PM
24	The board should be commended for their efforts to keep the center running under the circumstances!!	Mar 6, 2013 6:15 PM
25	SAD TO SEE IT FALLING APART.....	Mar 6, 2013 12:19 PM
26	Is there not other funding outside of the City that could be available to the Handley if the effort were made to explore those avenues? Are there grants available to make the needed improvements that make it a place that people in the community would want to go and pay for membership??	Mar 6, 2013 10:18 AM
27	It has been said...that Lead kids go to Deadwood to swim and that is good enough. Most of these comments come from people that have no children and do not care about recreation or facilities for youth groups. 75-80% of Lead kids fall into that category that the minority wants nothing for them to do. I'd rather have what we have than most of them roaming the streets trying to find other things to do!!	Mar 6, 2013 12:02 AM
28	We need indoor recreation in Lead because of the long snowy winters. This will be a tool to invite new residents, visitors, investment to the area. It appears the current configuration of the set up does not work.	Mar 5, 2013 4:32 PM
29	Would it be effective to eliminate the main building and continue to provide indoor rec and preschool at the armory? I think that this would achieve a benefit to the community and not cause such a substantial drain on the city funds	Mar 5, 2013 11:36 AM
30	I think that it was once a nice facility, but needs lots of work to be up to par with what Deadwood is now offering. I also think that it should not be on the shoulder of the City to keep it afloat all the time it should be upon the people running it and the community to help support that and I don't think that Lead had that including myself I don't use this facility and neither does my family. My kids use the Armory for sports or preschool and that is it.	Mar 5, 2013 11:30 AM
31	My children are grown so the usage for me has been reduced but it is important for quality of life programs be offered if the city is ever going to	Mar 5, 2013 10:52 AM

38	All indoor recreation in a city with our climate should be encouraged and fully funded	Mar 4, 2013 2:42 PM
39	I think this is very important to our community. We need someone that can manage and manage employees! This place has great potential just needs help!	Mar 4, 2013 2:17 PM
40	Although not a regular user of the Handley Center/Armory I am happy to contribute to the support of those facilities through my property taxes. Others paid to support my recreational activities as a youth in Lead and I am willing to do the same for the young people now. It is in the best interests of the community and future growth to offer indoor recreation in Lead. Lets not drive more people away from our town. Two decades of planning and thousands of hours of volunteer time have been devoted to a revitalization plan for this community. Much has been done and I say let's move forward with the rest of the plan.	Mar 4, 2013 1:37 PM
41	The handley center will work for the community. it needs more support from the city and then the community will support it.	Mar 4, 2013 1:15 PM
42	I think that the Handley Center is a poor example of how a small community provides quality recreational options to their residents. That said, I plan to support the Handley Center! We don't have an adequate facility, but that means that we need to figure out how to provide our residents and children with adequate rec options. The Handley isn't working now, but that just gives us the opportunity to figure out how it COULD work. Also, I have to say, any town that does not provide organized recreational options is barely even a town. I would never move to a town this size without a rec center! I don't know if I will continue to live in this town if we don't start re-investing into ourselves, our youth, and our future financial prosperity.	Mar 4, 2013 11:39 AM
43	It is a safety hazard to anyone that uses it other than to pick up bountiful baskets. Numerous times when i have used the track it has been wet due to the roof leaking and honestly think that it is a huge liability. close it!!!!!!	Mar 4, 2013 11:25 AM

45	It's hard to compete with Deadwoods Rec, you need to completely rethink to attract. You can't charge more and get less.	Mar 4, 2013 10:06 AM
46	I will mention that the Handley Center also provides the organization of the Youth Football program. I feel it is vital that we begin to look at Lead and Deadwood as one community and the recreation facilities should compliment each other not compete. We need to work together for success and development!	Mar 4, 2013 9:31 AM

59	This building NEEDS to stay with the city. The city needs to put minds together, make an action plan, and maintain it accordingly. Look to other projects like Spearfish's rec - quality facilities that become a beacon of pride for our populace.	Mar 3, 2013 3:15 PM

62	This needs to be fixed!!!!!! I cannot express as a single parent home owner how much it upsets me!!! We get nothing in return for our taxes. Our city NEEDS this center! I feel it would only and benefit the days inn as well. When that pool first opened it was well attended by the hotel guests. I truly do not feel this is a want but a need for our community....we also need to focus on our beautiful trail that	Mar 3, 2013 2:10 PM

63	I think it would be nice to get more uses out of the armory and fix it up more so in winter time and cold days the community would have access to it at all time so if they want to play basket ball they can	Mar 3, 2013 12:46 AM
64	As I addressed earlier with the improvements to the armory, I believe that the building can be used for more than just a basketball court. Perhaps a universal floor, that can be used as a basketball court as well as other events. This type of floor will last longer, but it will not deter any of the events that it would be used for.	Mar 3, 2013 12:30 AM
65	If the taxpayers of Lead are going to continue to fund a portion of the Handley center, then prices should reflect that if we were to get a membership, or enroll our children in the pre-school program.	Mar 2, 2013 11:04 PM
66	I don't think the Handley Center is worth it and doesn't deserve the tax dollars it is getting. The Armory is a different venue and always has been and it does serve it's purpose for a variety of uses, most of which are "community" uses.	Mar 2, 2013 10:54 PM

70	A community that offers, parks, cultural offerings, a gym, library... is a community people might actually look at as a good place to live. Without these things you have nothing to offer but a worn out old town.	Mar 2, 2013 4:29 PM
71	I think it has great potential to serve the community and act as a draw for people who might be considering a move to Lead.	Mar 2, 2013 4:06 PM
72	The Handley Center should not be judged as it is currently. It has served the community for 23 years and has been used by many. It has a great future if repurposed and cost to replace would be huge! Recreation draws young families and adds life to our community.	Mar 2, 2013 3:22 PM
73	Please do something to update and clean the existing structure. The city should be proud and in financial support of it. Our taxes are already to high to not having something nice to facilitate.	Mar 2, 2013 3:22 PM

| 78 | I know I 'checked' I was ok with more or full city support. But I think the two buildings as they stand require some serious attention. And rather than put just enough money to keep them operational, I think both need to be totally revamped to find any use in either one of them down the road. And if that means giving up on one of the buildings to put more into the other, I realize it would be a difficult decision, but not one left out of the equation. | Mar 2, 2013 6:27 AM |

1	The armory seems more valuable to the city than the Handley Center	Mar 31, 2013 9:53 AM
2	Re[air wall that collapsed, future problems will occur	Mar 31, 2013 9:49 AM
3	create a positive environment in town, fix the handley	Mar 29, 2013 6:46 AM
4	Even though I do not live in the city of Lead (I am rural) my family uses both the Armory and the Hadley Center on a regular basis.	Mar 26, 2013 4:42 PM
5	If the Handley Center is to continue existence, the board of directors are really going to have to step up to the plate! 135 members is really really sad but the building is in such disrepair who really wants to go there. I prefer to use the Deadwood facility.	Mar 24, 2013 3:49 PM
6	The neighborhood parks are very important.	Mar 23, 2013 6:54 PM
7	Pool important. The cost to renovate too high. One facility a few miles away is enough.	Mar 22, 2013 1:12 PM
8	how can we cooperate with Deadwood to make better use of funds, facilities and low population?	Mar 22, 2013 10:46 AM
9	Investigate what percentage of the Deadwood Rec. annual budget is supported directly by city funding. Merge with Deadwood Rec to create a combined Rec district.	Mar 22, 2013 6:39 AM
10	At my age, we don't use the Handley Center or Armory frequently. We would walk at the track if it wasn't so horribly cold. We would enjoy the pool when our grandchildren are with us if that was a choice. However, I do feel that a cool, fun recreation center and aquatic center is paramount as an amenity for a community. It defines who we are and our pride. It is a key ingredient when families are shopping for where to live and where to build. It should be a hub of the community for all of the age groups.	Mar 21, 2013 8:52 PM
11	Recreation and activities are the only things lead has going for it! Families who live in OR OUT of town, retired baby boomers, those planning to relocate, AND tourists all expect some level of indoor activity with our weather. They in turn bring money to the community.	Mar 21, 2013 8:05 AM
12	I strongly suggest a baseball batting cage	Mar 20, 2013 8:13 PM
13	I feel the facility would be utilized more if it was City financed	Mar 19, 2013 1:47 PM
14	I believe that the City could use the funds allocated to the Handley Center towards existing parks.	Mar 19, 2013 10:25 AM
15	Just have things for kids we need young families.	Mar 15, 2013 6:55 PM
16	take the responceability and spend some money	Mar 15, 2013 6:50 PM
17	Don't let Lead become a retirement village. We need things for young families. Spearfish and Rapid keep growing and they keep adding recreation. It works makes the town feel alive and active.	Mar 15, 2013 6:47 PM

18	Lead does not need any more parks, they do not use most of them anyway. How about getting some business in the town!!	Mar 15, 2013 10:38 AM
19	The survey should have allowed the option of answering questions about the Armory and Handley Center seperately. This survey is biased because it is a take or leave it proposition. Although one might support closing the Handley Center it doesn't mean the Armory should be closed.	Mar 15, 2013 7:49 AM
20	To much money is spent on the Handley Center.	Mar 13, 2013 2:40 AM
21	I think indoor recreation is important to have but with the deadwood rec center so close, that should suffice.	Mar 12, 2013 3:45 PM
22	Instead of funding the Handley, it would make more sense to fund transportation to, for people/kids who so not have transportation and programming with the Deadwood Recreation Center given the nearly insurmountable costs associated with making the Handly preferable to other recreation centers.	Mar 11, 2013 5:36 PM
23	WHEN YOU ASK IF THE ADULTS ARE EMPLOYED. BUSINESS OWNER SHOULD BE ONE OF THE CHOICES. IT IS IMPORTANT TO GROW SMALL BUSINESS IN THIS COMMUNITY. AND WE ARE PART OF THIS GROWTH	Mar 11, 2013 6:46 AM
24	Only this--the sooner you get rid of the current recreation building, the better you can serve the residents of Lead in a more applicable manner.	Mar 8, 2013 9:33 AM
25	The deadwood rec center has taken over the handly, the facilities are much nicer and also cheap. The building in lead looks like it is about ready to fall over	Mar 8, 2013 8:25 AM
26	The Handley center could be a great destination for classes (yoga..zumba etcetera) if it was clean and didn't smell terrible.	Mar 7, 2013 10:39 PM
27	Recreation both indoor and outdoor are very important for Lead. I don't agree with putting any more money towards the Handley Center - the city's or otherwise.	Mar 7, 2013 4:14 PM
28	A more studious enforcement of ordiances such as one's dealing with dog waste would go along way in cleaning up the parks and the city in general	Mar 6, 2013 1:13 PM
29	This survey does not list what it would cost the City to run the Recreation at the Handley Center/Armory if they took it over. It also is, in my opinion slanted in some areas to reflect that it costs too much to operate and uses the percentage of budget spent now to make a case for the tax payers who don't want and don't use the facilities and would not use them even if they had the opportunity! This gives a false sense that they are taxed beyond what tax payers think is fair!	Mar 6, 2013 12:09 AM
30	It should be operated as a city department to increase the control of the money invested in the past and future.	Mar 5, 2013 4:32 PM
31	With Deadwood having a stat of the art rec center Lead should get out of supporting the Handley/Center/Armory.	Mar 5, 2013 3:57 PM

33	The citizens of Lead are paying a great deal for a new fire station. This is health and safety but not quality of life. I have never know anyone to move because of a fire station. It seems over the top financially and a added burden to the tax payer. I would rather support recreation! The Handley center was poorly built under the direction of the city. What are the costs to improve it?	Mar 5, 2013 10:58 AM
34	Thanks . I love Lead !	Mar 4, 2013 7:43 PM
35	So desperate for children ages 6-12 to play. Craft fairs at the armory can help generate city income and fees can be used to support the armory.	Mar 4, 2013 5:41 PM
36	If we want young families to move to Lead we need to have something for their children to do. The youth is the future of Lead.	Mar 4, 2013 2:57 PM
37	Lead neds to really quit spending thousands on all these studies and get something done. A stae of the art library is really not necessary.	Mar 4, 2013 1:30 PM
38	The following question could be addressed at some point: "As a Lead taxpayer, if the Handley Center was completely eliminated from the budget, would that lower our taxes?" The reason I ask this question: there seems to be an ongoing discussion linking the Handley Center to our high taxes. Yes, our taxes are high! But, if we are paying our high taxes, aren't we supposed to get quality services for those paid taxes? I'm pretty sure that completely eliminating the Handley from the budget is in no way going to reflect back into the mil levy, or open up the opportunity for the mil levy to be lowered.	Mar 4, 2013 11:47 AM
39	There only needs to be one communitiy recreation center between Lead and Deadwood. The two communities need to work together!!!!!!!	Mar 4, 2013 11:24 AM
40	It would have been interesting to know if the person taking the survey would be interested in helping with the organization or programming. It also would have been nice to know how many of the people taking the survey are members of the Deadwood Recreation Center. Is there any way the Deadwood and Lead facilities could be a joint membership? Would that help or hurt? Can the two towns work together on the concerns of the recreation in our communities?	Mar 4, 2013 9:35 AM
41	No.	Mar 4, 2013 8:53 AM
42	the Handley center does not need to be a department to increase the funding.	Mar 4, 2013 7:59 AM
43	My family supported the Handley Center since inception; however, it is in need of repair and upgrades. It cannot compete with Deadwood's newly refurbished center, nor the gaming revenue-supported low fees. In a perfect world, the two cities could come together and offer different things at the two facilities that would complement a COMMUNITY-WIDE program of indoor recreation. It seems day care and roller-skating are important programs to consider keeping.	Mar 4, 2013 7:28 AM
44	If we want to attract businesses and young families, we need to look ahead to making our town a place to attract them. I chose to move to the neighborhood I live in because of the young families in the neighborhood, the armory daycare/preschool, the Y and the youth programs and the neighborhood park (now fenced up). Considering all the things we have lost plus the high taxes, I	Mar 3, 2013 10:36 PM

	should have bought a house in Deadwood or outside of town.	
45	There is no advertisement to let the people know what's going on, as far as activities at the Handley center. It might get more use if people knew what was happening!	Mar 3, 2013 3:34 PM
46	Lead has so much more potential for recreation - if Lead could unite the entirety of the parks in the area, install more water fountains, and create synergy with recreational routes throughout, it would be a new improvement on city amenities for cheap. But maybe Lead needs to do recreational paths like Spearfish, but I digress. We love Lead and will always be here, but we don't want to keep losing our younger kids if we can help it. With competition like Spearfish or Rapid, it's going to be a battle, but we have the natural surroundings to our benefit.	Mar 3, 2013 3:19 PM
47	Question 4 is poorly written and biased. I ended up disagreeing with it because I don't believe that indoor recreation is so needed that it should be paid for out of my tax money, especially when I have no intention of using the Handley Center. I go to the Deadwood Rec Center and am very happy with that facility. In addition to it being a cleaner, brighter, more user friendly facility, my employer offers both a discounted rate for my family and then 6 months out of the year pays for half our membership fee.	Mar 3, 2013 10:31 AM
48	Nothing that does not involve the recreation part of things. I believe that the focus of Lead needs to be Maintaining the current outdoor facilities, but improving the indoor facilities, which seems to be the current focus anyway.	Mar 3, 2013 12:32 AM
49	This is not a survey it's a waste of time. The same way you waste my tax dollars on a moldy, filthy dirty, hole in the ground called the Handy center	Mar 2, 2013 11:59 PM
50	I believe that it should come to a vote as to whether or not the taxpayers of this city should continue to fund the Handley center.	Mar 2, 2013 11:06 PM
51	If things are to be funded using tax dollars then the facility fees need to reflect that, it should also only be funded using tax dollars if the majority benefits from it and agrees on funding it.	Mar 2, 2013 11:00 PM
52	use the money that is spent on the Handley Center to enter into a joint venture with the Golden Hills to construct an indoor water park and fitness center.	Mar 2, 2013 9:55 PM
53	Indoor recreation does not HAVE to be provided, it is a nice option but not required. Are there any other entities that the City of Lead provides over 40% of their budget? The Handley Center facility is in need of repair, cleaning, updating and has diminishing membership, these are loud signs from the community that it is not meeting the expectations of the residents. Is there a plan to make the Handley/Armory responsible to stand on their own? What is their motivation to stop holding their hand out to the City and its residents?	Mar 2, 2013 9:12 PM
54	Wish there was more recreational space in lead for all ages as it feels like we go to different towns for this purpose a lot.	Mar 2, 2013 7:51 PM
55	It the handley center was upgraded to the point of actually being functional, I would support the city of lead funding it. I had to quit going there because the	Mar 2, 2013 7:36 PM

basement is so full of molds that I can barely breathe while working out. Something needs to be changed.

56	i am totally against the development of main street we need to have business in those buildings before we can expand , they can help with the tax burden on us taxpayers.	Mar 2, 2013 6:01 PM
57	More kid stuff! Average age in Lead 40 and most have children.	Mar 2, 2013 5:54 PM
58	I'm tired of giving money to two buildings that are in such bad shape, no pool, no hot tub, dirty, lots of mold and smells very moldy, they are a health hazard	Mar 2, 2013 4:54 PM
59	Glad you are completing a survey. I have a membership to the deadwood rec center. They offer great services. I would love to see a park built on the Hearst side of town.	Mar 2, 2013 4:23 PM
60	We USED to belong to the Handley Center but quit. It's a pile of junk. The equipment isn't maintained, everything is filthy and falling apart, and the staff is immature and no help. Personally, if you are going to have a rec center, do it right. Otherwise, dump it and provide options to join the Deadwood Rec. Seriously, it's an embarrassment to Lead.	Mar 2, 2013 4:16 PM
61	I think the part where you listed the ammount of money a household pays to the rec center (\$98) was incorrect. That number should be lower.	Mar 2, 2013 4:08 PM
62	The Handley Center has never worked for this community. If it is to work it will need to be completely restructured. The Armory should be looked at at for possible housing or something that could be put on the tax roles, or at least generate income. If the Handley were restructured the activities that are currently held in the Armory could be at the Handley. I believe the Mlckelsonn Trail is one of our most importate recreation areas and should be marketed aggressively.	Mar 2, 2013 3:57 PM
63	Please, let's be progressive and grow Lead, not go backwards!	Mar 2, 2013 3:24 PM
64	THE ARMORY SHOULD BE MAINTAINED AND MANAGED BY THE CITY THE HANDLEY CENTER SHOULD JUST GO AWAY IT IS A BURDEN TO THE TAX PAYERS AND CITY FUNDS THE BUILDING DOES NOT MEET CODE IT IS A FIRE TRAP IT IS UNKEPT. THE REC IN DEADWOOD ONLY 3 MILES FROM ANY ONE IN LEAD HAS ALL THE EQUIPMENT ASSETS OF THE HANDLEY CENTER BUT IT HAS MANY MORE THINGS TO OFFER THOSE IN MEANS OF FITNESS AND TO OUR YOUTH IT IS A CLEAN MAINTAINED AND WELL MANAGED EFFICIENT FACILITY. THE HANDLEY CENTER NEVER WILL BE. THE COMMISSIONERS THAT ARE CURRENTLY BOARD MEMBERS SHOULD START REPRESENTING THEIR CITIZENS INSTEAD OF THEIR PERSONAL INTERESTS AS BOARD MEMBERS OF THE HANDLEY CENTER	Mar 2, 2013 1:14 PM
65	First, my education and income status have no bearing on this survey and should not have been included. Second, where's the rest of the Handley Survey? Just one question on whether or not the City should provide "indoor rec"? Not much of a survey to gauge my opinion on the Handley! Because of that, here's my true opinion of the Handley...moldy, old, badly maintained, shabby looking, expensive and offers nothing I would want since the pool is	Mar 2, 2013 12:17 PM

closed. The City doesn't own it so I think we should cut funding so maybe the owners will take more pride in their facility and find funding on their own. Why are we allowing them to let the buildings be in such disrepair when citizens are made (by ordinance) to keep up their properties? Cut their funding and they'll be forced to take care of their buildings and the City won't have to raise my taxes again to keep their doors open when they clearly don't care about helping themselves! Very poor survey if I have to write out my thoughts here...there should have been many questions on the Handley! I thought you wanted our honest opinions?

66	Handley Center can't hold its own. And we have an indoor recreation center in Deadwood that we don't have to give money to. Problem solved.	Mar 2, 2013 10:54 AM
67	choice of handley center or armory?	Mar 2, 2013 10:14 AM
68	#4 is biased - a yes answer supports the Handley - not indoor rec at Dwd, Anytime, BHSU, & etc. You overlooked that because several Deadwood employers offer discounted memberships at the DwdRec Center, our family (like many others) does its indoor rec at the DwdRec Center. One publically funded Rec center in the Dwd-Lead area is enough.	Mar 2, 2013 8:44 AM

74	1. Concentrate on partnerships with the school district and with the City of Deadwood.	Mar 1, 2013 6:01 PM
75	A lot of people don't know that our park has horseshoe pits. There should be signage in that area of the park that lets people know the horseshoe pits are there. I would like to see more trees and even some lilac bushes around the park.	Mar 1, 2013 4:41 PM
76	I would very much like to see Lead and Deadwood work together to provide transportation via the trolley system to both rec centers, as well as for shopping, etc. I think that a committee of representatives from Deadwood and Lead should be formed to explore this option. The Handley Center could offer the programming and the weight room (as their weight room is far superior to that which exists in Deadwood), while the Deadwood Rec Center offers the pool. I believe this type of partnership could best be accomplished if Lead took over recreation within the city. Then perhaps both cities could sell memberships to one facility or the other, and also have an option to purchase a membership to BOTH facilities, with funds going into one pot of money. It is time that both	Mar 1, 2013 4:40 PM

communities worked together a little more instead of providing the same services 3 miles away! I think the timing is ripe for this kind of committee/partnership, as both cities are getting new leadership.
